

DEAR PARENTS,

Holidays are the time when we can connect with child in many ways. As you are your child's first teacher, you can encourage your child's love for learning by participating in many activities at home. Working together will help your child build confidence, learn to reason and develop skills necessary for his/her education. Take your Child for morning yoga, talk about the things that you see around. Play indoor games with your child. Let your child help around house doing small jobs like cleaning, watering plants etc.

To spend quality time with your child.

Encourage them to spend time with grandparents.

Communication will play pivotal role in grooming the overall personality of the children. Converse your child preferably in English.

GENERAL INSTRUCTIONS TO BE
FOLLOWED WHILE DOING HOLIDAYS
HOMEWORK:

Do the work according to the roll numbers. Holidays home work should be done as per the instructions given on A4, A3 size sheets or charts.

The child should be assessed for the neat handwriting, presentation, creativity.

Parents can be facilitator at home but the work should be done independently by the child in his/ her own handwriting.
