

The illustration features a bright blue sky with white clouds, a large yellow sun with rays, and two colorful butterflies. A girl with brown pigtails is peeking over the top edge of a large white banner. Below the banner, a boy with orange hair is painting the banner with a green brush, and a girl with red hair is painting it with an orange brush. The scene is set in a green field with yellow sunflowers and a blue flower. The text 'SUMMER HOLIDAY'S HOMEWORK' is written in large, bold, red letters with a yellow outline on the white banner.

SUMMER HOLIDAY'S HOMEWORK

CLASS- VI
SESSION-2022-23

Q- 3 Match the column:-

Column A	Column B
-----------------	-----------------

<ul style="list-style-type: none"> • Carbohydrates and fats 	1. Protective food
<ul style="list-style-type: none"> • Proteins 	2. Causes loss of Vision
<ul style="list-style-type: none"> • Vitamins and Mineral 	3. Energy-giving food.
<ul style="list-style-type: none"> • Dietary fibres 	4. Causes the disease called goitre
<ul style="list-style-type: none"> • Iodine deficiency 	5. They help us in easy digestion of food.
<ul style="list-style-type: none"> • Lack of vitamin A 	6. Body-building food

Q4. Answer the following questions-

- How can you detect presence of starch in any given food item?
- What is obesity?
- Define carbohydrates with examples.
- What are proteins? Give their example.
- Write functions of water in human body.

Chapter 3

Worksheet

Q1 state true or false-

- Polyester is a natural fibre.
- Jute is outer covering of coconut
- Silk fibre is obtained from animals.
- The process of making yarns from fibre is ginning.
- Yarn is made from fibres.

Q2 Fill in the blanks-

- Jute fibre is obtained from _____ of the jute plant.
- Animal fibres are _____ and _____.
- Method of obtaining yarn from fibre is _____.
- Process of arranging two sets of yarns together to make a fabric is _____.

Q3 Answer the following questions-

- (a) What is weaving?
- (b) Define knitting.
- (c) What is fabric?
- (d) Name two items that are made from coconut fibre.

Chapter-4

Worksheet

Q1 State True or False-

- (a) Chalk dissolves in water.
- (b) A notebook has lustre while eraser does not.
- (c) Glass is opaque.
- (d) Sand floats on water.
- (e) Oil dissolves in water.
- (f) Salt dissolves in water.

Q2 Fill in the blanks-

- (a) Substances which do not dissolve in water are _____.
- (b) Oil is _____ than water.
- (c) _____ dissolves in water.
- (d) Basketball is _____ in shape.
- (e) Iron is _____ whereas chalk is soft.

Q3 Answer the following questions-

- (a) Name some items made of wood.
- (b) Name some substances that are insoluble in water.
- (c) Why do we sort materials into groups?
- (d) Define Transparent, Translucent and Opaque Objects with examples.

SUBJECT: SST

A.) Art Integrated Activities (Do any two activities)

ROLL NO	ACTIVITIES
1to10	<p>1. Make a collage on 'Unity in Diversity in India'.</p> <p>2. Prepare a model of 'Solar system'.</p> <p>3. Make a list of 'source of information of history' on A4 sheet.</p> <p>4. On a physical map of India mark the Narmada river, Garo hills , kirthar hills and sulaiman hills (from ch.1 of history)</p>
11to20	<p>1. Prepare a collage on different types of festivals celebrated in your locality.</p> <p>2. Make a model showing various heat zones of the world.</p> <p>3. On a physical map of India mark the river Indus and its tributaries. (from ch- 1 of history)</p> <p>4. Make a list of subjects on which books were written in the past on A4 sheet .</p>
21to30	<p>1. Make a chart showing distance of the planets from the sun.</p> <p>2. Draw a Diadram on A4 sheet showing important latitudes and longitudes.</p> <p>3. On a physical map of India mark the river Ganga and its tributaries.(from ch-1 of history)</p> <p>4. Prepare a collage showing different culture practice in India .</p>

31 onward	<ol style="list-style-type: none"> 1. Make a chart that show various advantages and disadvantages of the globe. 2. Find out information and relevant pictures paste in scrapbook on the following topics: <ol style="list-style-type: none"> a) Archaeological sources of Ancient Indian History. b) literary sources of Ancient Indian History. 3. On a physical map of India mark any five rivers (from ch-1 of history) 4. Make a beautiful sketch of Dr. B.R. Ambedkar.
-----------	---

B) Worksheet of Social science

1. How do we collect information about the past?
