CLASS – VII

HOLIDAY'S HOME WORK

SESSION 2022-23

STUDENT'S NAME-

ROLL NO-

DEAR PARENTS,

Holidays are the time when we can connect with child in many ways. As you are your child's first teacher, you can encourage your child's love for learning by participating in many activities at home. Working together will help your child build confidence, learn to reason and develop skills necessary for his/her education.

Take your Child for morning yoga, talk about the things that you see around.

Play indoor games with your child.

Let your child help around house doing small jobs like cleaning, watering plants etc.

To spend quality time with your child.

Encourage them to spend time with grandparents.

Communication will play pivotal role in grooming the overall personality of the children. Converse your child preferably in English.

GENERAL INSTRUCTIONS TO BE FOLLOWED WHILE DOING HOLIDAYS HOMEWORK:

Do the work according to the roll numbers.

Holidays home work should be done as per the instructions given on A4, A3 size sheets or charts.

The child should be assessed for the neat handwriting, presentation, creativity.

Parents can be facilitator at home but the work should be done independently by the child in his/ her own handwriting.

Thank you

ENGLISH

*Attempt the following worksheets:

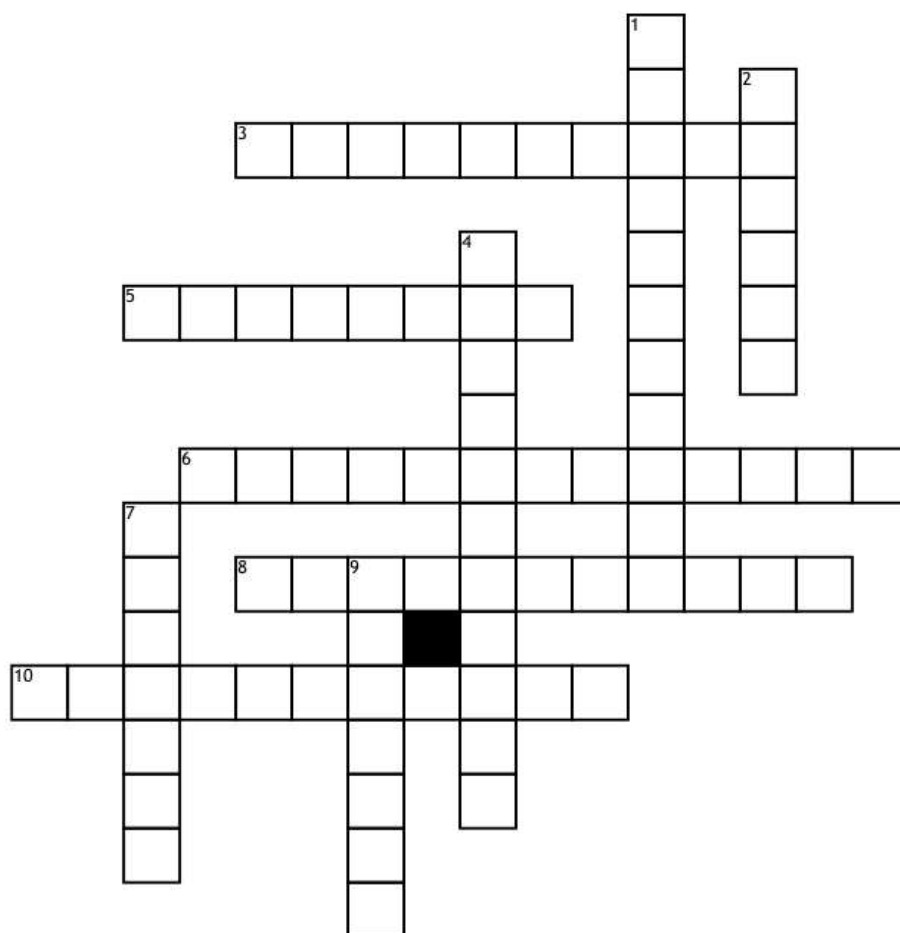

Irregular Plural Nouns

MATHS

* Revise Ch-1,2 and 3 in separate Maths revision Notebook (DO WRITTEN PRACTICE).

*Do Lab Activities (1 to 5) in Maths Lab Station.

ART INTEGRATED ACTIVITIES (DO ANY TWO)

- 1) ON A3 Size sheet show the properties of integers in a tabular form.
 - 2) Make a beautiful peacock or any bird using the concept of fractions on card board.
 - 3) Draw various shapes such as square, rectangle, triangle, pentagon or any shape of your choice on chart paper and show different fractions.
 - 4) Make a flow chart showing the rules of integers.
 - 5) Show different decimal numbers on a graph paper.
- A) Six tenths. B) twenty-four hundredths
- C) fourteen tenths. D) Sixty-four hundredths

ASSIGNMENT QUESTIONS

- Q1. Which one is greater : $(9) + (-5) - (-6)$ or $(-8) + 15 + (-5)$?
- Q2. In a class test, $(+4)$ are given for every correct answer and (-2) marks are given for every incorrect answer. Rohan answered 7 correct questions and 3 incorrect questions. What is his total score?
- Q3. The temperature at a place rises from -15°C to 25°C . What is the rise in temperature ?
- Q 4 Write a pair of negative integer and a positive integer whose difference is (-5) .
- Q5. The length of rectangular garden is $\frac{7}{8}$ m and breadth $\frac{5}{3}$ m. What is the perimeter of rectangular garden ?
- Q6 Convert 985 mm into cm, m and km.
- Q7. The value of $4 \times 0.4 \times 0.04 \times 0.004 = \dots\dots\dots$.
- Q8. There are 80 students in a class. $\frac{2}{5}$ students like to study English and $\frac{1}{2}$ of the students like to study Maths and remaining students like to study Science.
- A) Find the number of students who like to study English and Maths.
- B) Find the number of students who like to study Sciene.
- Q9. A truck covers a distance of 37.8 km in 1.4 litres of petrol. How much distance will it cover in 1 litre of petrol ?
- Q10. Find the mean, mode and median of the given data
- 42,56,73,85,91,15,42,58,43,25 .

SCIENCE

➤ **Do the following activities as per the given instructions:**

➤ **Do the following questions of the given worksheet on A4 size lining sheet and make a file.**

*** Activities for (Roll no. 1-10)**

1. Grow the seeds of coriander. Write the observation of its growth. Also paste its picture.
2. Draw a well labeled diagram of human digestive system with its explanation on an A-3 size sheet.
3. Collect different types of fabric and paste them in your scrap book with its labeling.

➤ **Activities for (Roll no. 11-20)**

1. Make a structure of stomata by using kidney beans. How does the stomata contribute to photosynthesis and transpiration?
2. Make an assignment on tooth decay. Mention its causes, treatment and precautions
3. Write the uses of different fabrics in daily life.

➤ **Activities for (Roll no. 21-30)**

4. Take two slices of bread in your home. Keep one slice in refrigerator and other outside at room temperature with water sprinkled on it. Note the observations.
5. Fast food is not good for health. Compose a story with a above message where in a girl explains to her younger brother, the bad effects of eating bad foods.

On a political map of India mark at least five such temples and find out a) location of the temple. b) architectural style of the temple. c) the deity to whom the temple is dedicated. Note :- Do in scrap file.	On a political map of India mark the prominent monuments made during the Delhi Sultanate and find out a) name the location of the monument. b) purpose of building that monument. C) present condition of the monument with its photographs. Note :- Do in scrap file.

2).Do the following worksheet in S.St. Notebook.

1. Where are manuscripts preserved?
2. Who were the writers of early medieval India?
3. What is the difference between natural environment and human environment?
4. How do human activities in the modern world causes imbalance in the natural environment?
5. Give examples of sedimentary, Metamorphic and igneous rocks.
6. What happens to rocks that are exposed to Intense heat and pressure?
7. Define social equality. Give example of social equality from your surroundings.
8. Who was Rosa parks and what did she do?
9. Do women face discrimination in terms of Healthcare? Give one example.
10. Is adequate Health Care available to all? If not why?

3)learn and write question answer of Chapter 1,2 of Geography, History and Civics in practice notebook.

DRAWING

Dear Students

Do book pages

no. 78,79,80,81,100

in Drawing notebook fill with beautiful colours

Computer

- 1. Learn Lesson 1,2 full.**
 - 2. Do the activity according to Roll Number.**
- Roll No. (1 To 5) Create a chart of different number system.**
 - Roll No.(5-10) Create a worksheet to maintain your monthly expenses on Stationery.**
 - Roll No.(11-15) Create a document on ' Uses of Google Apps' using Google Drive.**
 - Roll No.(15-20) Create a Power Point Presentation on the topic 'Number System'**
 - Roll No. (21 – till last) Create a chart of different mainly used Google Apps**

G.K.

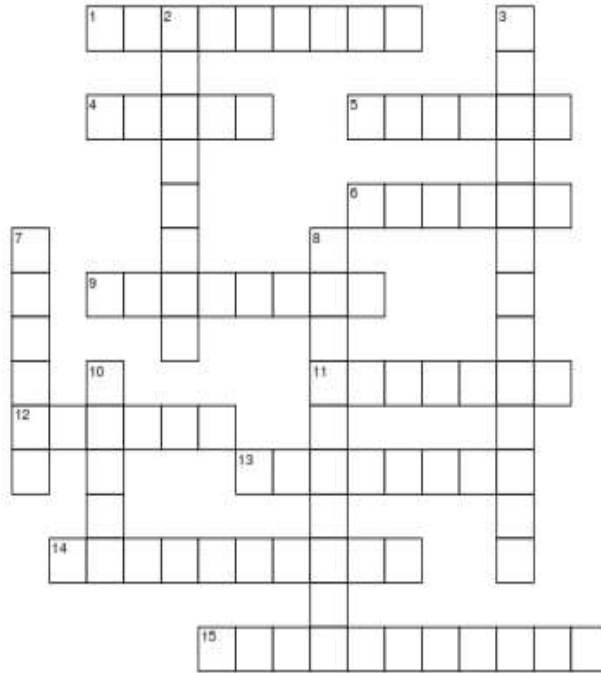

(A).Revise chapter- 1-12 .

(B) *Use waste material to prepare models and charts.

***Do the following activities according to your roll number.**

- 1. Make a model showing proper disposal of waste. (1-10)**
- 2. Make a chart showing the achievements of sportspersons who have physically disabilities.(11-20)**
- 3. Make a chart on Olympic medalists of India. (21-30)**
- 4. Make a model showing the ways to save the environment.(31-40)**

Attempt the following worksheets :

ACROSS

- 1 Canberra is the capital of which country?
- 4 Beijing is the capital of which country?
- 5 Brasilia is the capital of which country?
- 6 Stockholm is the capital of which country?
- 9 Islamabad is the capital of which country?
- 11 Berlin is the capital of which country?
- 12 Ottawa is the capital of which country?
- 13 Bangkok is the capital of which country?
- 14 Dhaka is the capital of which country?
- 15 Kabul is the capital of which country?

DOWN

- 2 Colombo is the capital of which country?
- 3 London is the capital of which country?
- 7 Paris is the capital of which country?
- 8 Dhaka is the capital of which country?
- 10 New Delhi is the capital of which country?

Write **True** if the statement is **correct**. **False** if the statement is **incorrect**:

1. The dragon represents **wisdom, power and wealth**. _____
2. The lion symbolizes **power, wisdom, and superiority**. _____
3. **Sumba and Yoga** is part of Chinese festival ? _____
4. The offering of food serves to bring ancestors and other beings in the
Other world closer to oneself. _____
